

CORPORATE EVENTS & EXPERIENCES

YOUR OBJECTIVE, AN EVENT THAT CONNECTS

We conceptualise, plan and coordinate corporate events designed to bring people together, inform, recognise achievements and build meaningful connections.

EVERY EVENT NEEDS A CLEAR PURPOSE

An effective event aligns purpose, audience, message and delivery, so every decision supports the company's intended outcome.

01

PURPOSE

Goal, audience, message and intended outcome.

02

EXPERIENCE

Concept, format, content and moments that give the event meaning.

03

DELIVERY

Planning, suppliers, logistics, team and on-site coordination.

FORMATS FOR YOUR BUSINESS

Every event is designed around the objective, audience and company culture.

- Corporate meetings and gatherings
- Client, distributor and partner events
- Company celebrations and special occasions
- Networking events, receptions and dinners
- Workshops, training sessions and masterclasses
- Team and employee experiences
- Ceremonies, awards and corporate milestones
- Hospitality and additional experiences

AN EXPERIENCE ALIGNED WITH YOUR BUSINESS

Format, content and production should work together to represent the company and create a relevant experience for its guests.

EVENT DESIGN

- Objective, message and audience
- Concept, theme and format
- Guest journey and key moments
- Programme, content and ways to engage

PRACTICAL PLANNING

- Initial resource and budget estimate
- Venues, suppliers and partners
- Timeline, logistics and operational requirements
- Alternatives and contingency plan

EVERY DETAIL, CAREFULLY COORDINATED

Alisio can coordinate a specific part of the project or manage the entire event with the right specialists.

01

VENUES

Venue sourcing, comparison and coordination to suit the format and audience.

02

SUPPLIERS

Catering, technical production, furniture, décor, staff, entertainment and materials.

03

GUESTS

Invitations, registration, practical information, hospitality and guest care.

04

ON-SITE

Set-up, briefings, timings, suppliers, guests, issue management and wrap-up.

SUPPORT WHERE YOU NEED IT MOST

For a one-off event or ongoing support across your corporate calendar.

- Initial concept and proposal
- Planning, budget and suppliers
- End-to-end production and coordination
- On-site coordination only
- Support for an event designed by your internal team
- Support across several events or ongoing collaboration

WE COORDINATE THE RIGHT SPECIALISTS

Alisio manages the project and connects every element. Technical or regulated services are delivered by the appropriate professional suppliers.

ALISIO

- Plans, coordinates, communicates and oversees
- Keeps timelines on track while safeguarding the guest experience and operational continuity.

SPECIALIST SUPPLIERS

- Catering, technical production, décor, furniture and event staff
- Security, transport and activities requiring specialist expertise

WHAT CAN WE SET IN MOTION?

Tell us what you need and we will design a
tailored proposal
